9 preset paragraph styles

## What's in this?

This is a magazine template that was built in InDesign CS5. In your template folder you will find a CS5 document and a .idml file for those using CS4.

### Features:

- A4 Page; 11.6" x 8.25" (20 pages)
- 3mm bleed
- Automatic Page Numbering Via Master Pages.
- Baseline Grid
- 9 preset paragraph styles for ease of use.
- CMYK

### Free Fonts Used:

Latin-Modern-Roman: <http://www.fontsquirrel.com/fonts/Latin-Modern-Roman>  
Caviar Dreams: <http://www.fontsquirrel.com/fonts/Caviar-Dreams>

### Page Layers:

Page Layers have been broken up into individual spreads, see your layers panel, you will find organized and labelled page objects.

### Colour Swatch

This template uses 4 colour swatches, white, black and two shades of blue. You can easily adjust the colour scheme by adjusting the two shades of blue you will find in the swatches panel.

### In Conclusion

Do whatever you want to this, improve it, reshape it, anything goes.
